

1772

Haym Solomon sailed from England to America; landed in New York

He started his own business & did very well. He believed in liberty.

He was asked to join a group of men calling themselves 'Sons of Liberty.'

1772

In summer 1772, Alexander sailed from St. Croix to New York. He went to King's College. His friend Ned Stevens was there. They had 3 teachers. Today it is called Columbia University. They started a club to improve themselves as speakers & writers.

After the Boston Tea Party he began to write articles for a newspaper. At a big meeting he made a fiery speech, though a student.

he & his friends marched & drilled. But Dr. Cooper
the Pres. of King's College was loyal to the King
Alexander had to receive Cooper from a tax &
feather party by using the back door. He went
on with his studies by himself

1772

The Poles (in Poland) were quarreling among themselves. While this quarreling was going on, the Russians came in and took a large slice of land.

Some Germans in the west took another slice of land.

South of Poland lived the Austrians. A slice of Poland was given to them.
